General information

Late registrations:

Late registrations are possible up to 1 hour before the start of the respective distance on site in the race office.

Swimming course:

There is a 5.0 km circuit. For the 10 km distance, this must be swum twice clockwise. For the 2.5 km and 1.5 km courses, there is a triangular course. The buoys must be swum around the outside (between the bank and the buoy). For the 500 m and 250 m courses, there is a 250 m circuit, which must be swum twice for the 500 m courses.

Refreshment station:

On the 10.0 km course, there is a refreshment station in the area of the start/finish area. Each of these participants will be provided with isotonic drinks and gel/bars by the organizer. You can bring your own food.

Swimming buoys:

Buoys are mandatory for the 500 m and 250 m courses (Allstars and Kids). A buoy can be used on the other courses. If required, it can be borrowed from the organizer for a deposit.

Awards ceremony:

The first 3 women and men on each course will be awarded prizes.

Overall ranking:

All points are added together for the overall AASC ranking. The awards ceremony will take place at AASC Croatia. An age group evaluation is available online.

Toilet facilities and changing rooms:

These are located in the start/finish area.
